

# **GARBAGE CAN BASKETBALL**

**Objective:** The player with the most points wins.

**Procedure:**

1. Standing behind the yellow string all the players shoot their crumpled papers at the garbage can.
2. A score of 1 point is award to all players who make the basket. The other players receive the score of the circle where their papers land. Players record their scores on the score sheets.
3. All players shoot their crumpled papers at the garbage can. They record their score and add it to the total. Players then check each others work.
4. Continue play until each player shoots 10 shots.
